[VERONICA] Mid-20's. A wandering soul, an artist. She's beautiful, **smart, poised**. Almost introverted. Careful about her art, her relationships. Has been trying to make something happen with Josh for weeks now. Has gone to the same coffee shop again and again. He won't get the hint.

[CARRIE] Appear to be 29. Carrie is from Baltimore, MD but has turned into a tough New Yorker. However, recent events have humbled her but she still has the fire that made her successful. She is **tough yet lovable** with a hint of lovable sarcasm. She has a **very strong (singing) voice** and can still get down with the best of them.

[OLIVIA] 20's. Smart. **Rebellious**. The kind girl that loves to spend Saturday in a library but isn't attracted to guys who do. Olivia has climbed about every peak in Washington and Oregon, and even spent a year in Alaska to recover after her mother's death. She too volunteers for 'Seattle Mountain Rescue', not only to help injured hikers and climbers, but also because it's an expenses-paid excuse to climb / chance to understand her father.

[STEPHANIE] 25-30. Caucasian. Height: 5' 6' to 5' 10'. Seeking an actress who has a **knack for blending comedy and drama**. Beautiful, **brash, funny** and athletic. She has a tough, tomboyish exterior with a sensitive heart. She boosts Devin's creative imagination and pushes him past his fear and self-imposed limitations by any means necessary.

[LYNN] 20s-30s. Comes from a very wealthy family. She is the perpetual student as she tries to figure out what she wants to be. Her family is distant so she loves her friends more than anything else in the world. She is very outgoing and flashy. Very **independent**.
